

Faith and Healing; What is the link?

Mark 5:24-34, John 9:1-6

An Unseen Journey

- The woman had been suffering for 12 years
- The blind man had lived with his blindness since birth
- Sometimes no one knows what you are going through or what you have been through.
- Holding on when there seems to be no reason to hold on is an act of faith!

The result of faith!

- Woman was healed of her sickness and ... her shame was taken away.
- The man was healed of his blindness and .. His spiritual eyes were open too.
- Be obedient, walk in faith. It is a process

Trust in Jesus

- Belief – Acknowledging something is real, accepting it exist
- Faith – Choosing to put your trust in something
 - *James 2:19 You believe that there is one God. Good! Even the demons believe that—and shudder.*
 - *Luke 18:8 when the Son of Man comes, will he find faith on the earth?”*
- Many believe, not so many have faith!
- What are you putting your faith in? Is it in Jesus or has it been in something else?
- Do you need to repent? Unresolved sin - God wants to set you free!
